

Bands and Seller

How much do I have to pay for shipping and how does it work?

The shipment to wholesalers occurs usually only with the 'Deutsche Post' or GLS. Shipping prices include postage and packaging. It also depends where we have to ship the items. 30 Kilogram packages usually cost 6 Euro to Germany, 12 Euro to Austria, 25 Euros to any other states of the European Nation and 30 Euros to any countries outside the EU - worldwide.
